- \_\_\_ Your submission should include both project text (less than 500 words) and descriptive imagery.
- \_\_\_ Full name and a current email address must be included within your email.

Your submission will be used as a basis for the Dimensions staff to select projects for inclusion in Dimensions 21. To best represent your project, please provide the most relevant documentation. Keep in mind that this PDF will not be the final layout published, and additional materials and native files will be requested upon acceptance.

PDF Submission deadline: October 23
